

Regional Property Supervisor – Affordable Multifamily Property Management

Preservation Housing Management, LLC (“PHM”) the property management segment of Preservation of Affordable Housing, Inc. (“POAH”) is seeking candidates for the position of Regional Property Supervisor for a portfolio of tax credit / Section 8 assisted apartment developments in Chicago, Illinois.

We are looking for a person who has direct multi-site property management experience in affordable multifamily housing. Preferred candidates will have expert knowledge of the low income housing tax credit program, HUD programs and Section 8 rental assistance. The selected candidate should have a strong background in operations, transitions, customer service and ideally Yardi software. This is a senior multi-site property management position reporting to the C.O.O. requiring travel to apartment sites. Multi-site operations experience is required.

The properties are located in Illinois, Missouri, Maryland, and DC. This position will most likely be working from their home, but we have some flexibility on office location. PHM provides a highly competitive compensation and benefit program for employees in what is a vibrant and growing enterprise.

Only those individuals having direct and recent affordable apartment management experience covering multiple developments should apply -- this is a highly specialized area of the real estate business.

PHM and POAH are Equal Opportunity Employers. See our website at www.poah.org
